

**Rattlesnake Avoidance Training Clinic for Dogs
Hosted by Mountains Restoration Trust**

Registration Form

August 7 and 8, 2010

At

Headwaters Corner, Masson House
23075 Mulholland Highway, Calabasas, CA 91302

Tracy Jenson-Presson of High On Kennels, San Diego County www.highonkennels.us personally trains each dog. Tracy has many years of training dogs to avoid rattlesnakes. The training is conducted in a safe, humane, controlled environment ensuring the safety of your dog, as well as the safety of the rattlesnakes. Individualized training takes about 30 minutes.

In order to learn a strong avoidance behavior, Tracy recommends several repetitions of the training. Your dog must be at least 6 months old. The first year, "first time training" is when the dog learns intense avoidance of rattlesnakes. The second year, "return training" is what really cements this behavior within your dog. To ensure maximum benefit from this training, it is recommended training should be repeated the following year after initial training.

Please reply promptly as space is limited. Advanced payment of \$70 per dog is required.

**Please make check payable to Mountains Restoration Trust.
Mail to 3815 Old Topanga Canyon Road, Calabasas, CA 91302**

You can register online. Go to our website at www.mountainstrust.org
